CONTEMPORARY HOMES
AMID SCENIC VILLAGE LIFE

NEW HOME. NEW WAY OF LIVING.

Causeway Meadows is an elegant collection of new homes, designed to be stylishly in keeping with the beautiful Roundwood village and the incredible natural surroundings.

Contemporary, energy efficient, and with stunning protected views, these properties are hugely desirable from every aspect.

A COMMUNITY FOCUSED EXTENSION TO ROUNDWOOD

Amongst the 59 new homes at Causeway Meadows, you'll find four new retail and business spaces, an inviting village green and a gorgeous play area for children.

There are new cycleways and footpaths connecting Causeway Meadows to the village centre, and a footbridge linking pedestrians to the Vartry Reservoir Loop with its breath-taking walks.

HOMES FOR ALL STAGES OF LIFE

Causeway Meadows offers a variety of options for you to call home, in a location that allows many different buyers be a part of one community.

There are one and two bedroom apartments as well as two, three and four bedroom houses at Causeway Meadows.

A PRETTY PICTURE OF PAST & PRESENT

Homes in Causeway Meadows borrow many of the textures and tones from the original village, while adopting the space, light and elegance you expect from a modern home.

SURROUNDING BEAUTY

It's not only the interiors and facades that are beautiful. Thoughtful design has produced a pretty public realm.

Professional landscaping has protected established trees, while at the same time adding fresh, decorative and welcoming planting.

Roundwood is one of the highest villages in Ireland and offers some of the greenest and most attractive views.

From Roundwood you can look across to Ventry Reservoir that sits on your doorstep. Or direct your gaze further north, to Wicklow Mountains National Park.
