The Gorey Local Electoral Area has almost the same population as the Wexford Local Electoral Area. The Census 2022 results show that Wexford has seen a rise to 163,527 or 9.2%.

Zoning Details

The lands are zoned under the Gorey Town & Environs Local Area Plan 2017 – 2023. In May 2022, Wexford County Council extended the duration of this LAP for a period of 3 years until 2026.

Under this Plan, approx. 31 acres are zoned Residential (R), that is *'To protect and enhance the residential amenity of existing and developed communities and to provide for new residential development, associated residential services and community facilities'*.

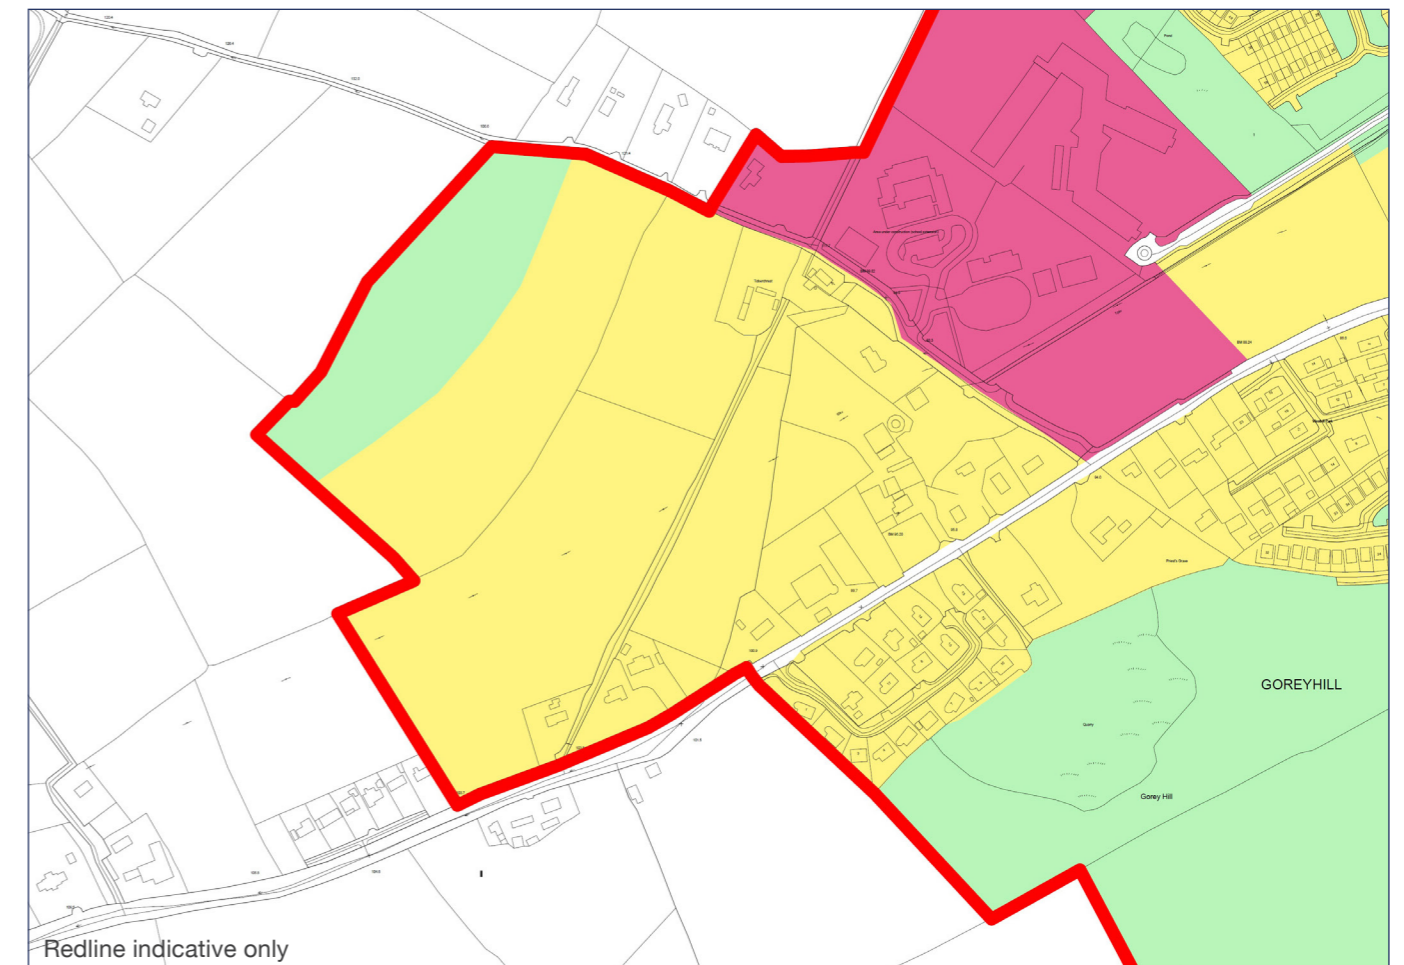

The Plan states that with regard to undeveloped residential land, the purpose of Residential (R) zoning is to provide for new residential development and associated uses. While housing is the primary use in this zone, recreation, education, childcare facilities, community buildings, sheltered housing and local services will also be considered subject to the preservation of neighbouring residential amenity. Limited

convenience shopping facilities may be considered to serve the needs of local residents in accordance with Section 7 Retail and the Retail Strategy in the CDP.

The remaining approx. 7 acres are zoned Open Space and Amenity (OS), that is *'To protect and provide for recreation, open space and amenity areas'*.

The Plan states that the objective of the Amenity (OS) zoning is to retain and protect all existing open spaces, both passive and active. Development that would result in a loss of established open space or lands zoned for open space and amenity will not normally be permitted. An exception may be made to this restriction where compensatory provision is made elsewhere in the town at an appropriate location.

The lands also form part of the Creagh Neighbourhood Plan within the LAP.
